

The Tribe Map for 2007

Our camp is located at 7:30 and Boreal.

- Have fun on the way in and remember to inform the greeters that you are with a registered theme camp, and you will be at 7:30 and Boreal
- As you reach the outskirts of the city, bear left at the fork – drive at no more than 5 mph (to keep the dust down)
- Follow the outer rim road and turn right at 7:30 – watch for inebriated Burners.
- Take 7:30 in until you reach Boreal - then park on the side of the street and look around for us.
- When you are pulling into the camp site please watch for power lines, lights, etc. Have someone outside the car guide you in.
